(a) whether in the BIFR hearing dated 29th December, 2000, no unit-wise viability report/study was submitted by NTC/GOI as assured in the aforesaid reply;

(b) if so, reasons therefor;

(c) whether the Bench had concluded that company/promoter lacked seriousness in making the company viable;

(d) if so, the reason therefor and action taken against those lacking seriousness;

(e) whether revival scheme is being submitted before 28th February, 2001;

(f) if so, the details thereof; and

(g) if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF TEXTILES (SHRI V. DHANANJAY KUMAR): (a) to (d). The unit-wise approach for revival of NTC mills was filed before BIFR on 15th December, 2000 with a request to permit phase-wise implementation of the revival process. The viability data for all the units was also submitted on 22nd December, 2000. However, it was requested that further studies will be required for some mills to consider revivability options. This approach was filed with the objective of reviving maximum number of revivable mills.

BIFR, on 29th December, 2000 did not agree with the unit-wise approach as suggested and directed for filing revival plan for the subsidiaries as a whole, updating the Techno-Economic Studies of all the mills.

Whereas Textile Research Associations (TRAs) were entrusted with the task of Techno-Economic Viability Studies, their completion required further time. Besides, unconditional concurrence of State Governments was also to be obtained for sale of surplus lands and

conversion of land use. Supreme Court has given time till 25th April for completing these.

(e) to (g) Data has been submitted to Operating Agencies to enable them to submit the Revival Schemes to BIFR before the due date given by Supreme Court.
